A conference to discuss the proposed application and any opposition thereto was held on Thursday, May 24, 2007, at the offices of James F. Hardwick & Associates, 1101 S. Hugh Wallis Road, Suite 101, Lafayette, Louisiana 70508. A list of parties who attended the conference is attached. Numerous questions were asked and answered. Mr. David Sturlese on behalf of the Nunez family presented a +/- 240 Acre counterplan which removed acreage from the southeast corner of the applicant's proposal and added acreage on the west. Mr. Eugene Carter on behalf of the Carter family presented a +/- 200 Acre counterplan which also removed acreage from the southeast corner of the applicant's proposal and added acreage on the north. A resolution of differences could not be made at the conference but the parties at opposition continued to work toward a compromise and have now resolved their differences as reflected on the attached plat. Accordingly, opposition is not expected at the hearing.

Attached hereto and made a part hereof is a plat outlining the applicant's proposal, along with a list of the names and address of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties. Also enclosed is a check payable to the Office of Conservation, representing the required hearing application fee.

Very truly yours,
